

Camille Morerod

MSc in Marine Biology

✉ camille.morerod@bluewin.ch

id 0000-0002-2580-0309

CMorerod

Work experience

Stockholm University
Research assistant

Stockholm, Sweden
since 2022

Swiss Ski School
Ski teacher | student job

Les Diablerets, Switzerland
2014 — 2017

Education

Stockholm University
MSc in Marine Biology

Stockholm, Sweden
2020 — 2022

The University of Neuchâtel
BSc in Biology

Neuchâtel, Switzerland
2017 — 2020

Experience

Computer work

Data analysis

Handling and processing of the data
Statistics
Excel | R

Video and image analysis

Track fish and school movement
DLTdv8 | DeepLabCut | ImageJ | CurveMapper

Laboratory

Lab management

[inventory | organisation | coordination]

Fish care

[tank maintenance | feeding | fish handling]

Publications

F. Berio, C. Morerod, X. Qi, V. Di Santo. 2023. *Ontogenetic plasticity in shoaling behavior in a forage fish under warming*. Integrative & Comparative Biology. doi.org/10.1093/icb/icad043doi.

Conferences

International Society for Behavioural Ecology 2022 | Talk **Stockholm, Sweden**
C. Morerod, E. Murphy, V. Di Santo. *The effects of coral surface roughness on coral reef fish locomotion*
